Plaintiff,

ORDER

-against-

18 Civ. 1197 (AEK)

City of Yonkers et al.,

Defendants.

-----X

THE HONORABLE ANDREW E. KRAUSE, U.S.M.J.

This case is now scheduled for a potential trial beginning with jury selection on either **Monday, November 29, 2021 or Wednesday, December 1, 2021**. At present, one trial has scheduling priority over this case on each of the potential trial dates; if either one of those cases is resolved or rescheduled, this case will proceed to trial. Based on the Court's experience with the trial scheduling process in prior quarters, there is a significant likelihood that one of the cases currently ahead of this one will be resolved or rescheduled. Accordingly, **the parties should proceed with the expectation that trial will begin on November 29, 2021 or December 1, 2021**. The Court will provide further updates regarding the status of the other cases as information becomes available.

In anticipation of the trial, Plaintiff's counsel must prepare a proposed writ of *habeas corpus ad testificandum* to insure Plaintiff's appearance in court on November 29, 2021. The proposed writ must be filed via ECF **by no later than September 17, 2021**. Examples of an appropriate writ may be found at ECF Nos. 235-237 in *Garcia v. Fischer*, 13-cv-8196 (VB).

As discussed at the August 4, 2021 status conference, pretrial submissions are due on October 29, 2021. Plaintiff's opposition to the motion *in limine* (ECF No. 62) that will be re-

filed by Defendants is due on November 5, 2021. The parties' oppositions to any new motions *in limine* that are filed on October 29, 2021 are due on or before November 12, 2021. **The parties should consult the Court's Individual Practices at <https://nysd.uscourts.gov/hon-andrew-e-krause> for detailed information on what must be included in the October 29, 2021 submissions.**

The final pretrial conference currently scheduled for Monday, November 22, 2021 at 10:00 a.m. in Courtroom 250 will proceed as scheduled. The parties must submit a joint letter on or before Monday, November 15, 2021, outlining any issues they would like to address at the final pretrial conference.
